1,000 Hear Dr. Anderson At Calvary

The "Christ is the Answer" crusade with Dr. Harry O. Anderson will continue through Sunday night (with the exception of Saturday) at the Calvary Baptist Church, Manhattan Beach Boulevard, east of Crenshaw. One thousand people heard Dr. Anderson at the combined services last Sunday, the opening day of the one-week crusade. The pastor, the Rev. H. Earl Kuester, described Dr. Anderson as "a warm-hearted preacher with a friendly personality that both puts his audience at ease and at the same time stirs them to want to give their best for Jesus Christ. His messages are easily understood by old and young alike. The young folk love him and sometimes seem willing to turn heaven and earth to get one more person out to the meetings," the pastor continued.

THE 7 P.M. Thursday service will be designated "Father and Son Night." The Men's Fellowship of the church is endeavoring to find 99 men who will join in a great male chorus to sing "The Ninety and Nine" that night. The Men's Quartet will provide special music. A special token will be given to the father and son who look the most alike. The Friday 7 p.m. service will have a youth emphasis with the Calvary Chords Youth Choir singing. Stanley Gray will be soloist. There will be a great musical jubilee that night with all artists and musical talent especially invited. The service will be designated "Old Rugged Cross Night."

NEXT SUNDAY, Dr. Anderson will preach at the 8:30 and 11 a.m. services on "The Church Victorious." At 6 p.m. he will present a sound, color film, "Japan Welcomes the Word."

At the 7 p.m. Evening Serv-

Torrance Police to Host Annual Youth Safety Run

Torrance has been selected to be the host city for the annual Youth Safety Run sponsored by the Police Advisory Council for Car Clubs, it was announced by Torrance Officer A. L. Jackson, run coordinator.

The three-day run will include two days of driving with a day of recreation separating them, he said. Between 30 and 40 cars are expected to participate in this year's run, the 10th annual running of the program.

Cars are entered by dealers throughout Los Angeles County, and more than 100 teenage car club members will compete for mileage and safety awards. Participants will be selected from each city represented on the basis of safe driving, driving skill, and car club participation. Car clubs participating under the Torrance sponsorship have members from many of the cities and communities of the Torrance, Harbor, and South Bay areas.

The Police Advisory Council for Car Clubs (PACC) is comprised of police officers in many Southland cities who have joined in a program to provide a recognized competition of driving skill for car club members and to help show juvenile decency.

The annual Blue and Gold Dinner for St. James Cub Pack 863-C was held recently at the St. James Hall.

Prior to dinner the pack charter was officially received by Ed Shimko, cubmaster, and membership cards were presented to den mothers and committee members.

Phil Blair, former committee chairman, was presented an award in recognition of his outstanding contributions and service as chairman. He has been succeeded by Jim Schwabe as chairman. Den chiefs, from the St. James Scout Troop, were introduced to the individual dens by Bill Deacon, scoutmaster. After dinner, announcement of the forthcoming sustaining membership drive was made by Jim Schwabe.
